Zulu Nyala Country Manor

Take some big city glamour, mix in country escape; add a twist of the bushveld, warm hospitality, excellent food and truly great value – and you'll have Zulu Nyala Country Manor. Situated in gracious Chartwell on the outskirts of Northern Johannesburg on 13 beautifully landscaped acres, Country Manor is the perfect stop-over for our international guests en-route to the Zulu Nyala Private Game Reserve and Lodges.

The majority of international flights land at OR Tambo International Airport in Johannesburg. We recommend a refreshing stop-over before continuing your journey to Northern Kwa-Zulu Natal via Durban. Lanseria Airport, your most convenient connecting airport to Durban, is located conveniently close by to the Country Manor.

Country Manor offers luxury Bed & Breakfast accommodation with the option of additional meals by arrangement, so stop over for a night, or stay awhile – there's plenty to do. There are two sparkling swimming pools and tennis court on the grounds while our hospitality areas include a pub, lounges, porches and dining areas. Take a stroll around the Manor's lush grounds and you'll encounter zebra, blesbok, springbok and other creatures that provide a delightful taste of the bush.

A Magical Mix Of Worlds

Despite this, you'll be just five minutes away from Johannesburg's premier nightlife, restaurant and shopping area; home to the magnificent Montecasino with its world-class theatres, clubs, restaurants, cinemas and exotic bird gardens, as well as upmarket shopping centres like Cedar Square, the Fourways Mall, Fourways Crossing and the Design Quarter.

A selection of golf courses and must-see Lion Park are also in close proximity, as is the beautiful Cradle of Humankind heritage area. A host of excursions and activities are available by arrangement, so why not take advantage and see more of South Africa while you're in the country?

The Zulu Nyala Reservations team will happily make your flight arrangements from Lanseria in Johannesburg to Durban.

We also book hotels, tours and luxury trains in SA and neighbouring African countries, so speak to us and allow our experts to help plan your itinerary.

Zulu Nyala Private Game Reserve

An entrancing experience in a unique wilderness area

Zulu Nyala Private Game Reserve provides a unique bush experience in the heart of one of South Africa's most diverse conservation regions. Nestled between the wilderness reserves of Mkuze, Hluhluwe and St Lucia, this lush stretch of paradise is home to a wide variety of game, from the majestic elephant to rhino, buffalo, hippo, giraffe, the secretive leopard and cheetah and the shy beautiful Nyala antelope that is endemic to the region.

While it's always a thrill to get up close and personal with some of the bigger game, don't underestimate the magic of some of the smaller bush creatures, such as warthogs, mongoose, genets, porcupines and the ever-mischievous monkeys. The privately owned reserve is home to over 40 different species of animals and a munificence of birdlife.

All Zulu Nyala Game Reserve activities and excursions are available to guests of the Zulu Nyala Game Lodge, Heritage Safari Lodge and the Tented Safari Camp.

Tastefully decorated to pay tribute to Kwa-Zulu Natal's magnificent cultural heritage, the Game Lodge features panoramic views from many common areas and 54 fully air-conditioned, ethnic styled suites.

If you're in the mood for some well-deserved pampering, luxuriate in one (or several) of our expert spa treatments, from hot stone massage to facials. The lodge has a tennis court, a craft and curio centre, a games room, a bar and reading lounges to ensure there's always something to do. With panoramic views from the deck and dining area, you'll enjoy delicious, leisurely meals with the opportunity to compare notes with your fellow guests on your sightings and experiences.

Zulu Nyala Heritage Safari Lodge
Warm hospitality meets old colonial grace

The Heritage Safari Lodge was originally built in the 1940's as a hotel, and was a landmark pit-stop for weary travellers between Maputo and Durban. Acquired in 1996, the gracious building was lovingly restored to its original colonial grandeur, enhanced with new accommodation, and tastefully themed to highlight Zululand's unique cultural heritage.

With buffet-style meals in our restaurants, the wide, welcoming verandah and our 'human watering hole', the pub or thatched boma; the warm and relaxing atmosphere is conducive to shared good times and conviviality. The sparkling pool is always inviting, and you're sure to enjoy browsing our beautifully stocked curio shop for a few authentic African memoirs.

Zulu Nyala Tented Safari Camp

Hemingway-style tents evoke echoes of a bygone era

Take your senses back in time to an era when travelling with tents was the only way to explore the magnificence of Africa. Zulu Nyala's Tented Safari Camp provides a sense of safari adventure with all the comforts of a luxury camp. The elegant and spacious tents, with permanent bases, contrast cool neutrals with earth tones and slate in a colonial style counter-pointed with ethnic inspiration.

The tents are situated within the grounds of the Heritage Safari Lodge, with antelope and zebra freely roaming the grounds. This estate is adjacent to the Zulu Nyala Private Game Reserve. Game drives are a definite highlight for our guests and are conducted early morning and late afternoon. A visit to the nearby Zulu Cultural Village, where the age-old traditions of this magnificent culture are part of daily life, is also a must.

A sparkling wholesale investment that will enrich your life

Acquiring a gemstone represents an investment that is both tangible and intangible. The lasting financial value is real and highly important, but the emotional value of each precious stone you own is immeasurable. Often a gem represents a life milestone or celebrates an important relationship, and may go on to become a treasured family heirloom. To protect your investment, precious stones should only be obtained from an established and reputable dealer.

A no-obligation visit to see Trevor at Shaw Diamonds, either at Zulu Nyala Country Manor, Zulu Nyala Private Game Reserve or Zulu Nyala Heritage Safari Lodge.
