

WEST'S WOMEN'S HISTORY MONTH FUNDRAISER

Join **Women in the Enterprise of Science & Technology (WEST)** in celebrating Women's History Month throughout the month of March!

WEST is hosting a **fundraising drive** to continue to support the career goals and growth of women in STEM fields, and **we need your help!**

Donations will support career mentoring, personal and professional development opportunities, and professional networking events.

WEST'S WOMEN'S HISTORY MONTH FUNDRAISER

Launched in 2000, Boston-based **WEST** provides early and mid-career **women in fields of science and technology** with a **powerful forum** and **supportive environment**.

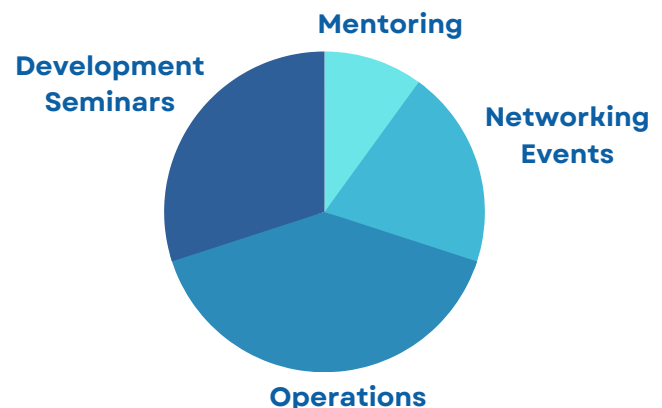

WEST provides our members and our broader community with a **comprehensive portfolio of workshops and panels** that include advice regarding career exploration and advancement, leadership skill building, and exposure to entrepreneurship. **WEST programs** are designed to enhance skills, develop professional networks, provide inspiration, and **empower women to achieve their full potential**.

Fundraiser Details:

- Support WEST during **Women's History Month** by making a one-time donation or purchasing a membership for yourself or referring a friend.
- **One-time donations** can be made in any amount [here](#).
- **WEST membership** provides the most benefits to your or a sponsored member by providing **unlimited access** to WEST events and resources for a full year. See more details here: <https://www.westorg.org/member-benefits>
- All funds raised will go towards **WEST Expenses**.

All funds raised will be used to support WEST initiatives
