# The Power of Inclusive Conversations

## Trish Foster

Executive Director  
Center for Women &  
Business at Bentley  
University

Inclusive conversations are one of the most powerful tools individuals and organizations can leverage to create cultures of psychological safety and inclusion.

### Key Takeaways:

- Learn the necessary understanding to successfully engage in this kind of dialogue.
- Learn how to assess when inclusive conversations are necessary.
- Explore the factors that influence the success or failure of inclusive conversations, including culture, power dynamics, and conflict styles.

**October 5, 2022**

**6:00-7:15PM EST**

**Cost:** Members: \$0;  
Non-Members: \$10
