

Innovation and Entrepreneurship Senior Panel Discussion

Wednesday, April 11, 2018, 6:00 – 8:30 PM

Join us for this flagship event to learn from seasoned senior leaders as they tell us about their inspiring journeys to success in the fast-paced world of science and technology. Hear what it takes to be truly innovative and entrepreneurial in a variety of highly competitive environments where collaboration and teamwork is essential.

Network with movers and shakers in the science and technology community and support career advancement of the next generation of women leaders in STEM! The discussion will be moderated by Jo Viney, Co-Founder and CSO of Pandion Therapeutics.

Panelists include:

- Adelene Perkins, Chair, President, and CEO, Infinity Pharmaceuticals
- Ros Deegan, President and CBO, Bicycle Therapeutics, Inc.
- Alan Crane, Entrepreneur Partner, Polaris Partners
- Meredith Fisher, Partner, Partners Innovation Fund
- Danielle Lauzon, Partner, Goodwin Law LLP
- Kristina Allikmets, VP, Head of R&D Patient Outreach & PD, Takeda

Refreshments: Appetizers, beverages, and dessert will be served

Location: Lab Central, 700 Main Street, North, Cambridge, MA 02139

Cost: Members: \$20; Non-Members: \$50, \$450 for 10 tickets
