

Michèle is the Managing Director of Envisage Consulting. She has more than two decades of international human capital consulting experience including executive coaching, leadership development, team building facilitation, change management, onboarding, organizational design, executive search, and talent assessment. She has worked with a wide range of organizations in size and industry, startups to Fortune 50, both in the private and public sector as well as with academic and executive education institutions.

She is a dynamic and engaged facilitator that enjoys working closely with clients to define strategies, create goals and increase engagement and reach results. Michèle is committed to help clients reach a positive outcome through a pragmatic and structured approach that drives insights and supports them to make changes, take action and create lasting impact.

Michèle has lived in 4 countries and coached clients from 80+ nationalities. She uses a portfolio of behavioral assessments that include MBTI®, Predictive Index® (PI®), Strengths Finder, Career Leader and TKI to help individuals and teams increase their self-awareness, improve communication, collaboration and productivity.
